## 1. Introduction and aims

We believe that volunteers provide a valuable contribution to the school's work, and that they enrich the school through the breadth of their knowledge and experience. We are committed to using volunteers in a way that supports the school's strategic aims and vision, as well as its development plan.

1.1 The aim of the Pudsey Bolton Royd Volunteer Policy is to:

- Encourage the wider community to engage with the school, thereby enhancing the curriculum, raising achievement and promoting community cohesion
- Ensure that volunteers support the school's vision and values, and adhere to our policies
- Provide staff, volunteers and parents with clear expectations and guidelines
- Set a clear, fair process for recruiting and managing volunteers.

This policy has been developed in line with the Department for Education's statutory safeguarding guidance, [Keeping Children Safe in Education](#) (KCSIE).

## 2. How we use volunteers

2.1 At Pudsey Bolton Royd volunteers may:

- Hear children read
- Accompany school visits
- Work with individual children
- Work with small groups of children
- Support specific curriculum areas, such as ICT or art
- This isn't an exhaustive list.

2.2 Volunteers may be:

- Members of the governing board
- Parents/Carers
- Former pupils
- Students on work experience
- Local residents
- Friends of the school
- This is not an exhaustive list.
- Members of the governing board working at the school in their capacity as governors (for instance, conducting school monitoring visits or attending meetings), are not covered by this policy. They are covered by our governor code of conduct.

### **3. How to apply to volunteer**

To register an interest in becoming a volunteer at school we would encourage a discussion with a member of School's leadership team. This can either be done informally or by requesting a meeting by contacting school via the [info@pudseyboltonroyd.org](mailto:info@pudseyboltonroyd.org) email address.

### **4. Appointment of volunteers**

The appointment of volunteers is overseen by members of the senior leadership team. Appointment and induction of new volunteers can often take 6 weeks and is dependent on the candidate and available spaces within the school. School would encourage any volunteer to apply to school at least half a term before they would like to start.

Any potential volunteer may be asked to attend an informal interview as part of our safeguarding procedures. All appointments are conditional upon the completion of an enhanced DBS check (if appropriate) and other appropriate safeguarding and recruitment checks, such as references, and relevant training. The headteacher reserves the right to terminate a placement at any time.

Enhanced DBS checks for volunteers working in the school through other organisations will be conducted by the relevant organisation, if needed. The school will ask for written confirmation that enhanced DBS checks have been carried out before a volunteer is allowed to start work at the school.

### **5. Safeguarding**

Safeguarding our pupils is of paramount importance, and our volunteers must share our commitment to child protection. To ensure we're upholding our responsibility to keep our pupils safe, we will:

Conduct enhanced DBS checks with a barred list check on volunteers who:

- Work 1-to-1 with pupils unsupervised
- Work with groups of pupils unsupervised
- Supervise or accompany groups of pupils on overnight residential visits
- Consider the results of any DBS checks that return with unspent and spent listed convictions, and assess these on a case-by-case basis, with regard given to the nature of the conviction and the nature of the work the volunteer will be involved in. Volunteers will be entered onto a separate tab on the single central record by office staff.
- Provide safeguarding training to all volunteers prior to them beginning work at the school, including ensuring that they have read and understood part 1 of KCSIE. It may be appropriate that if the role is not related to working directly with children, the volunteer can read the condensed version of part 1 (located in annex A) of KCSIE.
- Require volunteers to agree and adhere to our code of conduct (see appendix 2) and to read, and adhere to, the school's policies on:
  - Child Protection & Safeguarding
  - Use of mobile phones

**'We enjoy. We achieve.'**

*Care                  Growth                  Teamwork*

---

- ICT and internet acceptable use
- Online safety
- Behaviour.
- Ensure that volunteers without an enhanced DBS check are always supervised by a member of school staff, and are never left alone with pupils
- Conduct a risk assessment to determine whether a volunteer who isn't working in regulated activity needs an enhanced DBS check. The risk assessment will consider:
  - The nature of the work they will be doing
  - What we know about them
  - References from employers or other voluntary roles
  - Whether the role is eligible for an enhanced DBS check.

## **6. Induction and training**

All volunteers will be inducted by an appropriate person. This induction will include:

- A tour of the school covering health and safety information, especially fire procedures.
- Clear expectations shared about safeguarding procedures and confidentiality.
- A copy given of KCSIE to read.
- Details on where to access other key policies in school.
- Expectations on use of mobile phones/personal devices.

Volunteers must complete appropriate training prior to beginning work at the school. Training requirements will be determined by the headteacher, or the appropriate member of staff. All volunteers must have safeguarding training. Other training requirements will be based on the nature of the work the volunteer will be doing.

## **7. Confidentiality**

Information about pupils, parents and staff is confidential. Volunteers are not permitted to discuss issues related to pupils, parents or staff with those outside of the organisation. If volunteers have concerns, they should raise these with the appropriate member of staff. They shouldn't discuss them with pupils or parents. This doesn't prevent volunteers from adhering to the school's safeguarding policy (with regard to reporting safeguarding concerns or disclosures). If concerns relate to safeguarding, volunteers must follow the guidance in our child protection and safeguarding policy, and inform the designated safeguarding lead. If concerns are related to whistleblowing, volunteers must follow the guidance in our whistleblowing policy.

## **8. Conduct of volunteers**

Volunteers must comply with the code of conduct set out in the appendix to this policy.

**'We enjoy. We achieve.'**

*Care      Growth      Teamwork*

---

## **9. Expenses**

The volunteer should request resources that they may need through initially their class teacher or a member of SLT so school's purchasing procedures can be followed. They should not purchase any equipment and expect the school to refund this money without explicit consent from the headteacher.

## **10. Insurance**

The school's insurance policy covers volunteers in the event of an accident or emergency. An Individual who assists the council carry out its function as a local authority in the capacity of a volunteer would have the benefit of the public liability insurance provided by the council and our external insurers, Zurich Municipal. If a volunteer is working at the school through another organisation, we will also check that organisation's insurance arrangements.

## **11. Data protection and record keeping**

Our privacy notice for volunteers (available on the school's website) explains what information we collect about volunteers and why we collect it. We will:

- Retain records relating to volunteers in line with our records retention schedule
- Remove details of volunteers from the single central record (SCR) once they no longer work at our school

School's privacy notice can be found on the website - paper copies can be requested from the School office.

## **12. Monitoring and review**

This policy has been approved by the governing board and will be reviewed regularly.
