Dear Parents and Carers,

We warmly invite you to an important **Safeguarding Information Evening** designed to support and inform our local community.

 **Date:** Monday 30<sup>th</sup> June  **Time:** 6pm  **Location:** Crawshaw Academy

This session is open to parents and carers of **Crawshaw Students and local Primary Schools**, providing valuable insights into key safeguarding topics, including:

- **Social Media** – Understanding online safety, responsible usage, and the impact on young people.
- **Bullying** – Recognizing signs, prevention strategies, and how to offer support.
- **Local Risks** – Awareness of potential dangers within our community and proactive measures.
- **Post-COVID Generational Needs** – Addressing emotional and social challenges in a post-pandemic world.

This evening will be an opportunity to learn, discuss, and collaborate on ways to ensure the well-being and safety of our children. We encourage all parents and carers to attend and participate in this important conversation. Together, we can build a safer and more supportive environment for our young people.
